	This change is to faciliate the conversion of this water from stockwatering to primarily part-time domestic use for the Legacy Ranch at Monte Cristo development, which would allow a part-time domestic use and generally two horses for each lot sold.
	The 71 lots located within Sections 1, 2, 9, 10, 11, 12, 15 of T8N, R3E, SLB&M., have a point of diversion listed for each lot.
